## WINTER DISPLAYS - CENTRAL PARK

As we approach the winter season, we cordially invite you to partake in this year's celebration by erecting a display in Central Park.

Please carefully review both the policy and application to become familiar with the Town's requirements and deadlines.

All applications must be signed and returned to the Administration Office by **Monday, November 24, 2014**.

An organizational check for \$25.00 made payable to the Town of Vernon must also accompany your application, which covers costs associated with electricity and other services provided by the Town. Applications for display that are not approved will have this fee refunded.

Approved displays may be erected on **Saturday, December 6, 2014** and may remain up on the green until **Saturday, January 3, 2015** at which time they must be removed.
